**Above and below** The Le Corbusier three-seater sofa and arm chair were originally designed by Swiss architect Le Corbusier for the 1929 Salon d'Automne — a historical fine art exposition. As one of the most popular pieces of the Modernist era, Le Corbusier sofas can still be found today in museums worldwide. Made to the very highest standards, the **Milan Direct** reproduction Le Corbusier sofas are covered in a premium Italian leather, with frame and legs in the highest-quality grade 304 stainless-steel frame.
