## AN EAMES REPRODUCTION LOUNGE CHAIR AND OTTOMAN FROM MILAN DIRECT

IN ANNIVERSARY  
EDITION PREMIUM BLACK

Developed in 1956 by Charles and Ray Eames, the Eames Lounge Chair has become one of the icons of modern design.

Milan Direct re-created this stylish chair perfectly, with an attention to detail that's second to none. All pieces are handcrafted and assembled by its dedicated team and, as per the original design, the chair has a five-star base and the ottoman a fixed four-star one.

As a high-end reproduction, the chair is comprised of the original design's signature curved plywood shells, which are highly durable and have a seven-ply wood-grain finish, and is covered in premium top-grain black Italian leather. It's a striking mix of design and construction and will become the focal point of any space in your home.
